LIVE UNITED™

NO COORDINATING. NO COSTS. JUST THE CHANCE TO MAKE A DIFFERENCE.

Let United Way connect your employees to their choice of dozens of volunteer opportunities that help youth in our community. **Business Meets Community** makes it easy for small or large groups of employees to become engaged—and for your organization to have a visible, involved presence serving our community.

We have the opportunities to match your employees' interests:

Career Development

Mentor, teach computer skills, organize a panel to speak to youth about careers, or hire a young person for the summer.

Sports and Hobbies

Coach any sport, teach a class or clinic, lead a cooking club, or writing group that helps young people create a blog or website.

Leadership and Life Skills

Share your knowledge of public speaking, business writing, basic life skills like personal finance or the importance of volunteering and public service.

Academic Assistance

Help with homework, test preparation (SAT, MCAS or GED), or college applications.

With United Way, your time will always make the most impact.

Today in Massachusetts, more than 5,000 young people are waiting to be paired with a mentor. Every year, 11,000 drop out of high school. That's why United Way is uniting corporate volunteers with the expertise of more than 100 youth service agencies that know the best ways to reach out to youth. Join the movement. Together, we can create a brighter future for young people and a better life for all.

Volunteer as an organization

Choose your focus area. We'll match your organization's mission and values with opportunities for engagement and involvement that truly make a difference.

Volunteer as groups

We'll help you mobilize small or large groups for regular volunteer involvement. You'll build teamwork and camaraderie while helping your community.

Learn more about the many ways that your organization can connect with youth through United Way's Business Meets Community Program. Immediate opportunities are available. **Please contact Karley Ausiello at BMC@supportunitedway.org or 617.624.8146 to get involved now.**
