

DO MORE TOGETHER

Your gift to United Way supports a broad continuum of work that is helping people today in ways that create a stronger tomorrow for everyone. No other organization has the scope and expertise to unite and mobilize a powerful portfolio of hundreds of United Way-funded human services agencies around a common vision for the common good. That means your gift has more impact than it ever could through any single cause, charity or agency.

You may also focus your support of United Way's work in the community by designating your donation to one of our innovative initiatives or partnerships.
